From 1892, when the first class graduated from the brick building built in 1890, to 1910, when a new school was erected to serve growing needs, to 1972, Wichita Falls High School has undergone considerable change; so have we, the students and teachers.

Not only have we changed externally . . .

So a nice
news knowing
person who
I have enjoyed
and that I
all you
year you
again
less
hope
met

Debbie
Pittman

... but we have also altered our outlooks to adapt to the fast-moving world in which we live.

Keeping the best of the old and fusing it with dynamic new ideas . . .

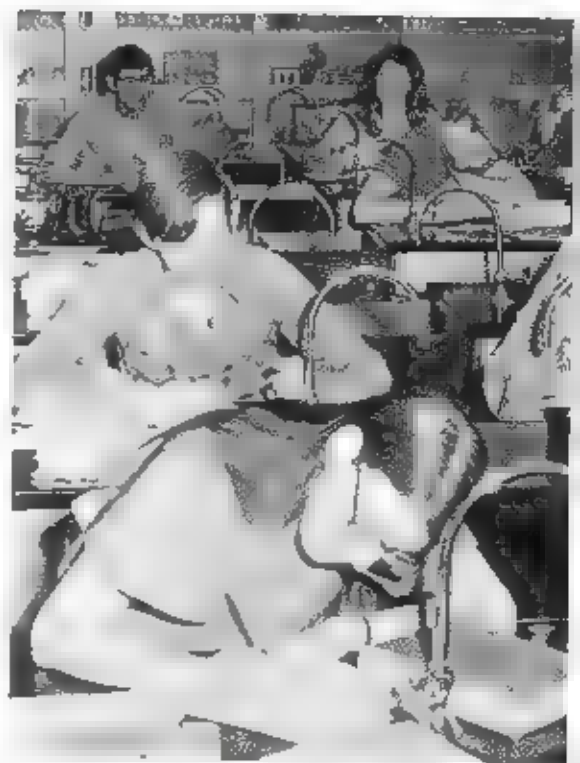

To blur is
human.

. . . our generation has the potential to fulfill some of the ancient dreams of mankind.

But no matter how far or fast we go . . .

*... our roots are
always reaching back to
the basis of human
experience.*

*We can never escape that,
nor should we want to, . . .*

. . . for although we and our world will change in many ways, the basic values of life, symbolized and perpetuated in Wichita Falls High School, will remain.

IN MEMORIAM

Lois Bell

Paul Genung

David Lasseter

"The life of a soul lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out from other eyes, talking to you in the familiar things he touched, worked with, and loved as familiar friends. He lives on in your life and in the lives of all others who knew him."

— Angelo Patri

Miss Lois Bell and Mr. Paul Genung were long-time teachers at Wichita Falls High School and our good friends. They have left a lasting mark on the lives of hundreds of students who learned in their classes not only mathematics, but also honor, dedication to duty, and responsibility.

David Lasseter, too, will remain in the memories of those who knew him as a sincere friend. Unfortunately, he did not have time to fulfill the promise of his life.

FACULTY

DEDICATION

Randall L. Bradley

In his seventeen years at Wichita Falls High School, Mr. Bradley has always been a favorite teacher. His sense of humor, his warm friendliness, and his genuine concern for his students all combine with his excellent teaching abilities to make him one of our most outstanding instructors.

While there can never be enough said or done to express our appreciation of him, the Annual Staff takes pleasure in dedicating this 1972 *Coyote* to this remarkable man.

BOARD OF EDUCATION

First row: Mrs. Laura T. Doing, Dr. Joe Steed, president, Gerald H. Hodges. *Second row:* Richard O. Harris, J. Phillips Cunningham, Dr. Carl Davis, Jack E. Bear-den.

G. H. KIRBY, M.A.
Superintendent of Wichita
Falls Public Schools

THOMAS F. BARNETT, M.A.
Deputy Superintendent

The members of the Board of Education, through their sincere interest in the Wichita Falls Independent School District, give abundantly of their time and efforts to maintain the high standards of education in our city. Although they, the superintendent, and the other administrators at the central office on Holliday Street may be little known by most of us students, they are interested in us as individuals and are dedicated to their responsibility of seeing that we obtain the best education possible.

Since the first graduating class of Wichita Falls High School received their diplomas in 1892, thousands of young people have passed through our school and taken their places in the largest society. Each class, regardless of its numbers or abilities, has contributed to our growth into a modern educational institution. Many more changes will develop in the next eighty years, but the students of 1972 will leave a part of themselves to the traditions of our school.

Buildings will change, new customs will develop, and society will influence the curriculum, but the intangible spirit of all who have passed through its hallways and classrooms as students and teachers will continue to develop pride and loyalty to Wichita Falls High School.

PRINCIPALS

The principals of Wichita Falls High School have the often difficult, but highly rewarding, job of leading the school in a way that will maintain order and unity while doing the greatest good for the most people, students and teachers alike

We, the students of 1971-1972, are grateful to Mr. Hunter Kirkpatrick, with Mr. William Jeter and Mr. Ervin Garnett, for their unfailing dedication to this purpose

Now, Mrs. Anthony, you know you're not a sophomore

"What? Me study?"

"Come on, Cynthia; calm down; the wall is not talking back."

"Is my lipstick on straight?"

"Yes, Mom "

"I'll dissect it; just don't make me look at it."

Let's hear it from the Jackson 5, 4²

COYOTE CHEERLEADERS

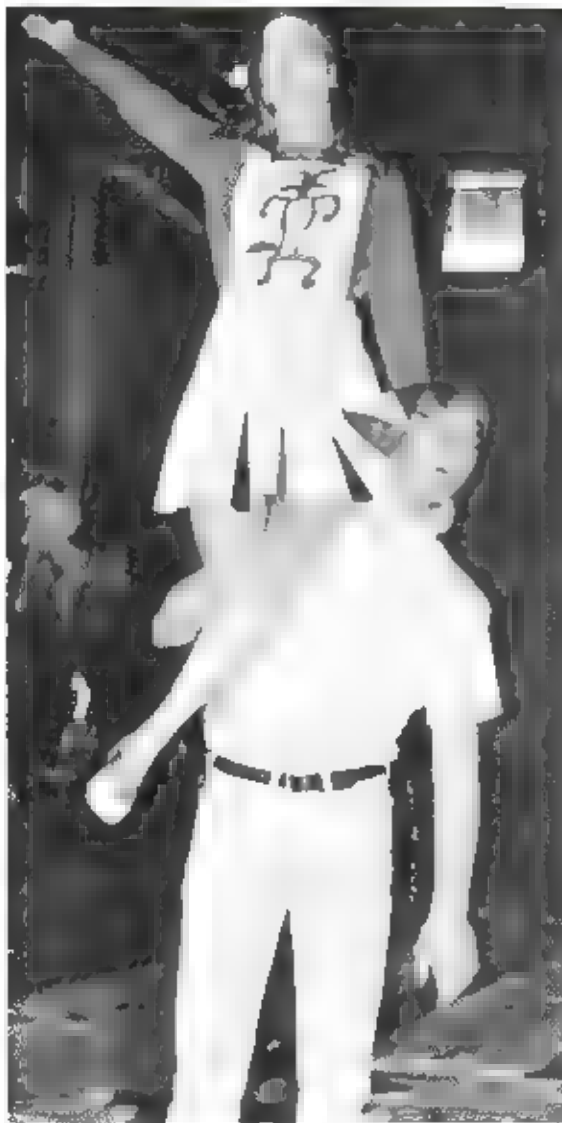

Cindy Morgan — Stan Bryant

SCHOOL PRAYER

Dear Lord,
In the game that goes on tonight,
We ask for a chance that is fair,
A chance that is equal, just and right,
And the courage to do and to dare
If we should win, let it be by the code,
With our spirits and courage held
high.
But if we should lose, let us stand by
the road
And cheer as the winners go by
In His name. Amen.

Connie Moore — Randy Reed

Libby Bolin — Tom Lowder

Debbie Carroll — Randy Crenshaw

Fight Song

Cheer, you Coyotes, cheer,
 Cheer with all your might.
 We are proud of the Red and Black.
 To win this game we'll fight,
 Rah, Rah, Rah,
 Cheer, you Coyotes, cheer
 Cheer us on to fame.
 We have the best team;
 It is a great team.
 Cheer, you Coyotes, cheer.
 — Don Hatch
 (about 1950)

School Song

Hail to our colors,
 Hail to our school,
 We'll back you forever,
 That is our rule, together,
 Onward to Victory,
 Onward to fame,
 In winning or losing,
 We'll honor your name
 — Tom McCarty
 (early 1940's)

1971 COYOTES — STATE FINALISTS

With only two starters returning from last year's great Coyote team, the Pack's fans did not expect great things from their team in 1971. The Coyotes were not even pre-season picks to win district after taking the crown the five previous years. Fortunately, there were forty-two young men who did not believe what they read in the newspaper. After last year's heart-breaking loss in bi-district, Coyote players that would return for another year signed a pledge that they would prove the Pack could come back. These Coyotes and new members from the Pups and Rowdies worked hard during the spring and summer to prepare for the oncoming season.

Finally, the day came that these Coyotes had long awaited. On September 11, after weeks of hot August practices, the Pack traveled to Lubbock and recorded a convincing victory over Coronado. Our team came into the state's limelight two weeks later with a 46-7 smashing over number-three ranked Abilene Cooper in their own stadium.

The Pack grew stronger every week and was well prepared to begin their campaign for the first step to the state playoffs — the district title. After Richland had upset Rider, the pre-season district favorite, the stage was set for the showdown between the Coyotes and the Rebels for the district championship. The Pack played magnificently and sent the Rebs home with a 34-14 defeat. The following week came the highlight of the gridiron season in Wichita Falls — the Coyote-Rider game. Rider was looking for its first victory over The High School in six years, but they again left the stadium disappointed. Rider was held scoreless until the closing minutes and did not even earn a first down until late in the third quarter. With a 41-14 victory over the Raiders, the Pack was in the playoffs for the sixth straight year.

The Coyote machine kept on rolling and kept on winning, caring little if it performed on the artificial turf of Memorial

Stadium or in the snow of the Texas panhandle. The Coyotes came from behind to win, they fought off last minute comebacks to win, they battled blizzards to win, they scored in the closing minutes to win, they did everything that was necessary to win four playoff games and earn a spot in the state finals. The Coyotes then traveled to Irving to meet San Antonio Lee for the state championship in the first high school game to be played in the new and exquisite Texas Stadium. The Coyotes were chosen to win their second state championship game over Lee in three years, but Fate had decided to deny The High School this honor. Lee's passing pushed them to a 21-6 lead, but as previously demonstrated, the Pack would never give up. The Coyotes' ball control offense and Red River Roughneck defense played as they never had before. Soon the Pack owned a 27-21 lead. With only a few minutes remaining, the Roughnecks did something they were not accustomed to doing — allowed the opponent to score. A last-second effort by the Coyotes failed, and the final, heart-breaking score was Coyotes — 27, Lee — 28. Even usually unemotional sport writers and broadcasters were moved by the Coyotes' stirring comeback attempt and claimed this game to be the most exciting state championship ever.

Although the Coyotes did not win their seventh state championship, their accomplishments were many. The Coyotes won fourteen straight games, a feat of which few teams could boast. The 1971 Coyotes were not a team of super stars and individualists, but a dedicated and closely-knit group whose only goal was to win. A goal to win not only for the glory of victory, but also a goal to win to prove it does not take a team of super stars to be champions. The Coyotes were not state champs, the goal they set for themselves the preceding year; nevertheless, they proved their point well, very well. Let it never be said the Pack could not come back.

JIMMY EMMERS
District Player of the Year
Mark Campbell Award Winner

ALL-DISTRICT PLAYERS WITH DISTRICT TROPHY. Otis Taylor and Ronnie Littleton *Not pictured: Jimmy Emmers.*

According to Ed Lane, Wichita Falls Record News sports writer, "... it was the greatest victory since George Washington won the battle of Yorktown as the Coyotes defeated Richland 71-69 to claim their first District 6-AAAA championship in a decade." The mighty Coyotes really proved that the Pack is Back.

Early in the season the Coyotes combined their efforts and took first place in the Burkburnett Tournament and third in the Caprock. One of the most exciting events of the season was the second victory over the Rider Raiders. Wichita Falls High was in a three-way tie with Rider and Richland for district honors. The Raiders led most of the game, but the Coyotes came from twenty points behind to claim the victory late in the fourth quarter.

Richland was the last obstacle on the road to the district crown. Although the Rebels had the advantage in size, the two teams were equally matched in talent. The first play-off game was in Richland, and after a hard-fought battle the Coyotes came home victorious. The second game of the three-game play-off was in Coyote Fieldhouse, but the Coyotes were defeated. As a result, a third game was played in Denton. After the Coyotes built up an early lead, the Rebels surged back to cut the spread to two points, but Wichita Falls was able to run out the last few seconds and wrap up the play-off and the district championship.

As the yearbook goes to press, the Coyote record stands at 20-9. Abilene is the site of the bi-district game against Midland as the Pack moves into state play-offs. **THE PACK IS BACK** in one of the most thrilling basketball seasons in many years.

MIKE VINSON

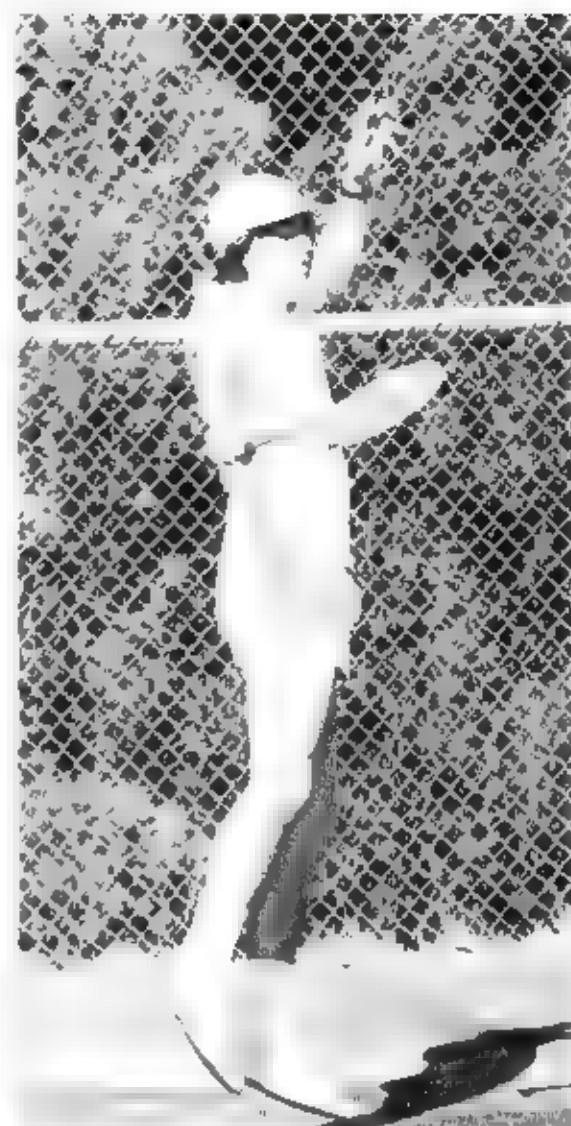

Marilyn Uncapher, Cathy Woodley, Jan Parker, Sherry Hathorn, Eloise Bradley, Randi Priddy, Coach Chuck Avera, Candy Pink, Dina Avera, Cathy Naylor, Phyllis Breegle, Lory Hathorn, Karen Kerbow

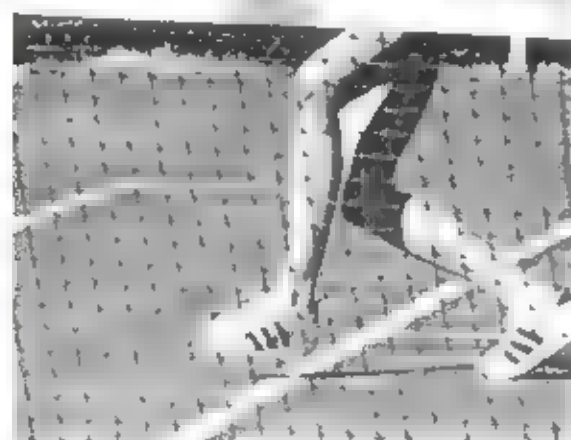

For nineteen years Coach Chuck Avera has been producing winning tennis teams for W.F.H.S. His 5 State Championships and 7 Runner-Ups are only part of the reason why he is one of the best coaches in Texas. His most outstanding trait is his ability to stimulate his players' interests to the point where they enjoy working and practicing. This is a trait that all coaches want, but few have.

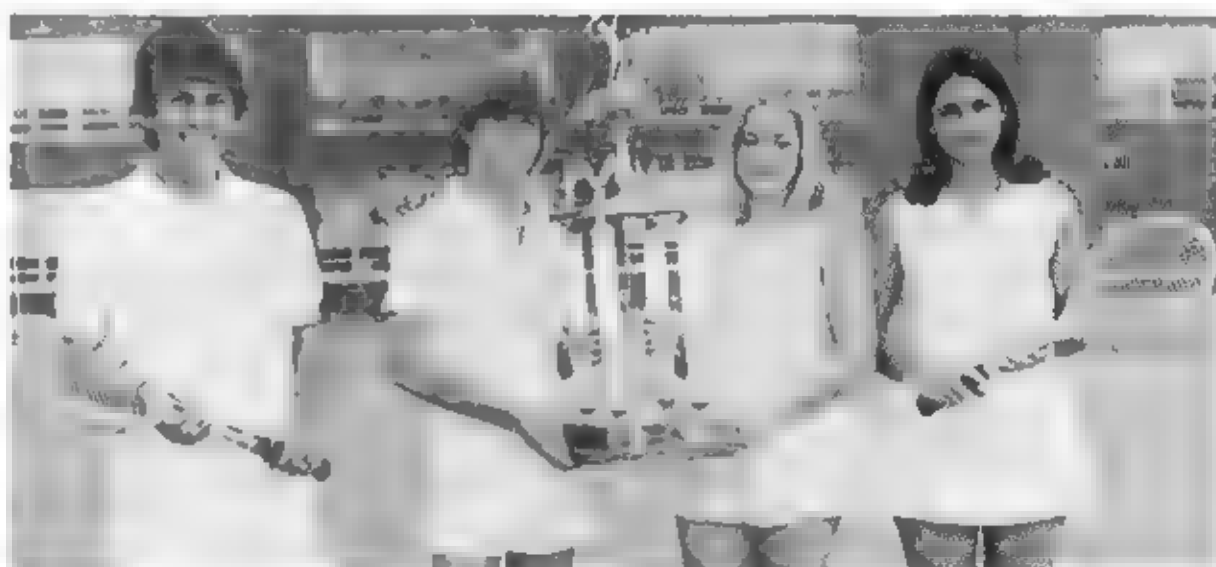

COACH CHUCK AVERA

Mike Shows his technique

Kathy puts another one away

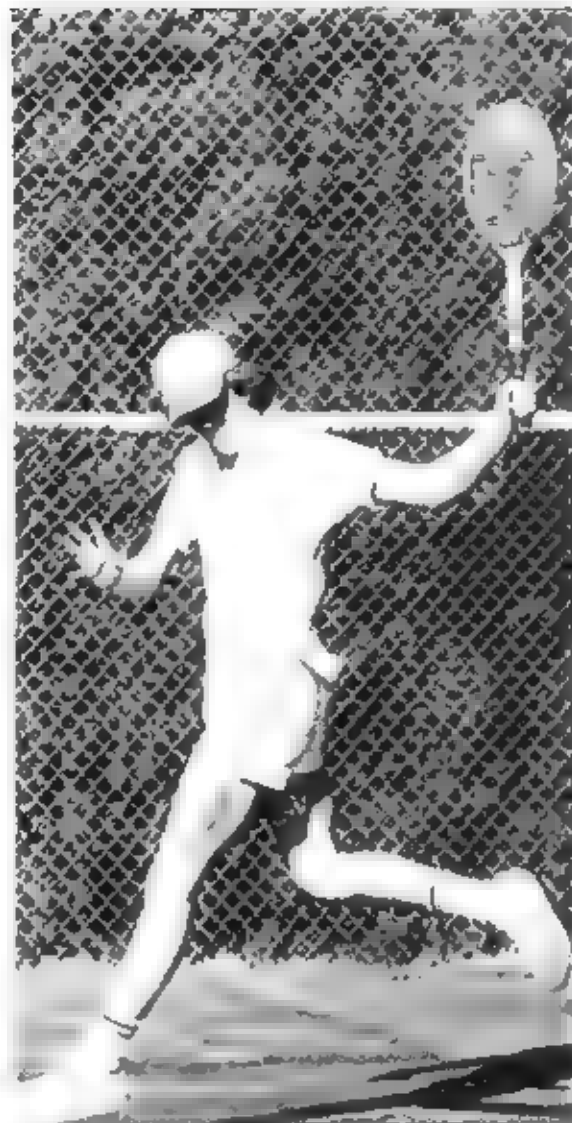

CAPTAINS Robert Gamboa, Graham Whaling, Phyllis Breegle, Marilyn Uncapher

GIRLS' B DOUBLES TEAMS: Candy Pink and Cathy Naylor, Karen Kerbow and Randi Priddy, Eloise Bradley and Jan Parker

Robert hits a low backhand.

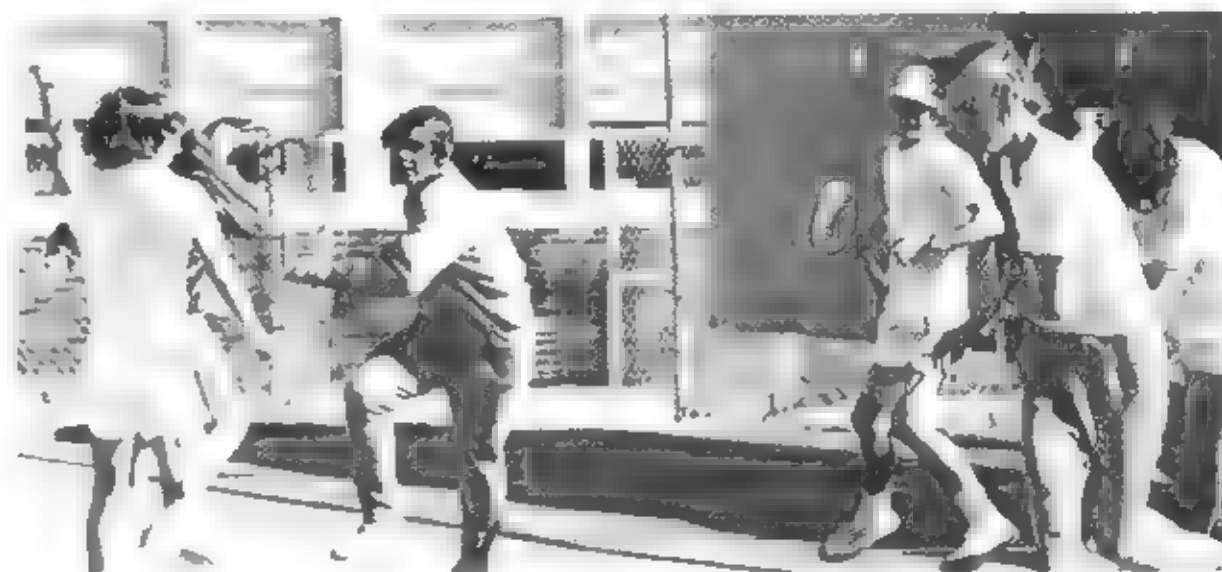

Clyde shows his style

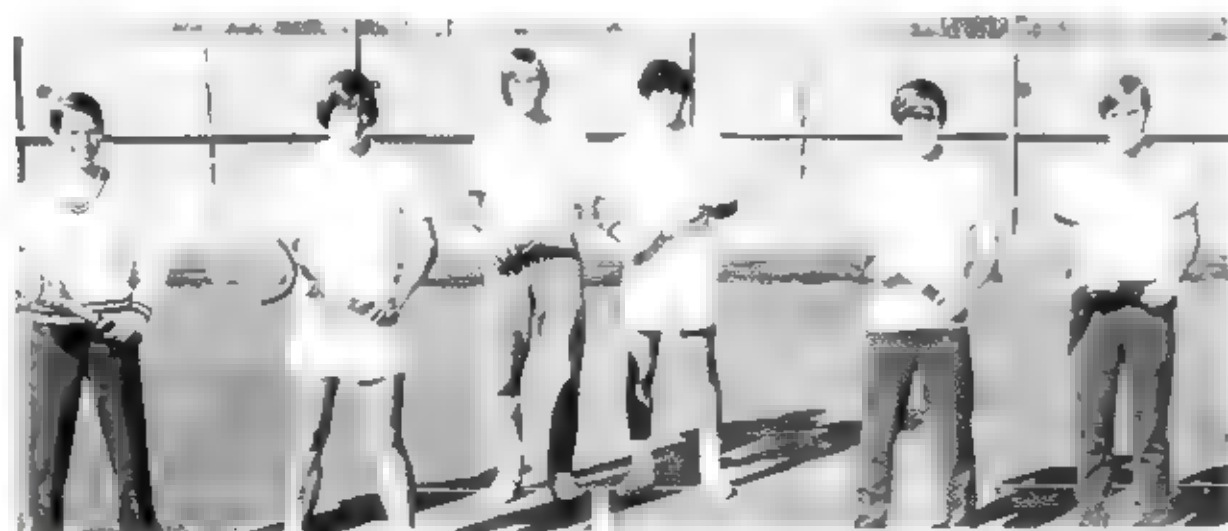

The Coyote tennis team had a fine season in '71 with the highlight being the doubles team of Mark Floyd and Graham Whaling taking the runner-up spot in State. With Coach Avera at his best and the team ready to work, at press time the chances are good of another State contender in '72

SMASH !!

Unity and cooperation are basic parts of Coyote success.

After six months of toil and nervous breakdowns, the exhausted 1972 Annual Staff and Photographers present this yearbook to you, the student body, with great relief and unparalleled joy. We hope you will enjoy it as much as we enjoyed making it for you.

Editors look at picture of the first annual staff — 1912 (Pictures from the 1912, 1914, and 1926 annuals are reproduced on our division pages)
